

Happy Valentine's Day
Love, NAOMI

This is the story of
Naomi & Sanjit...

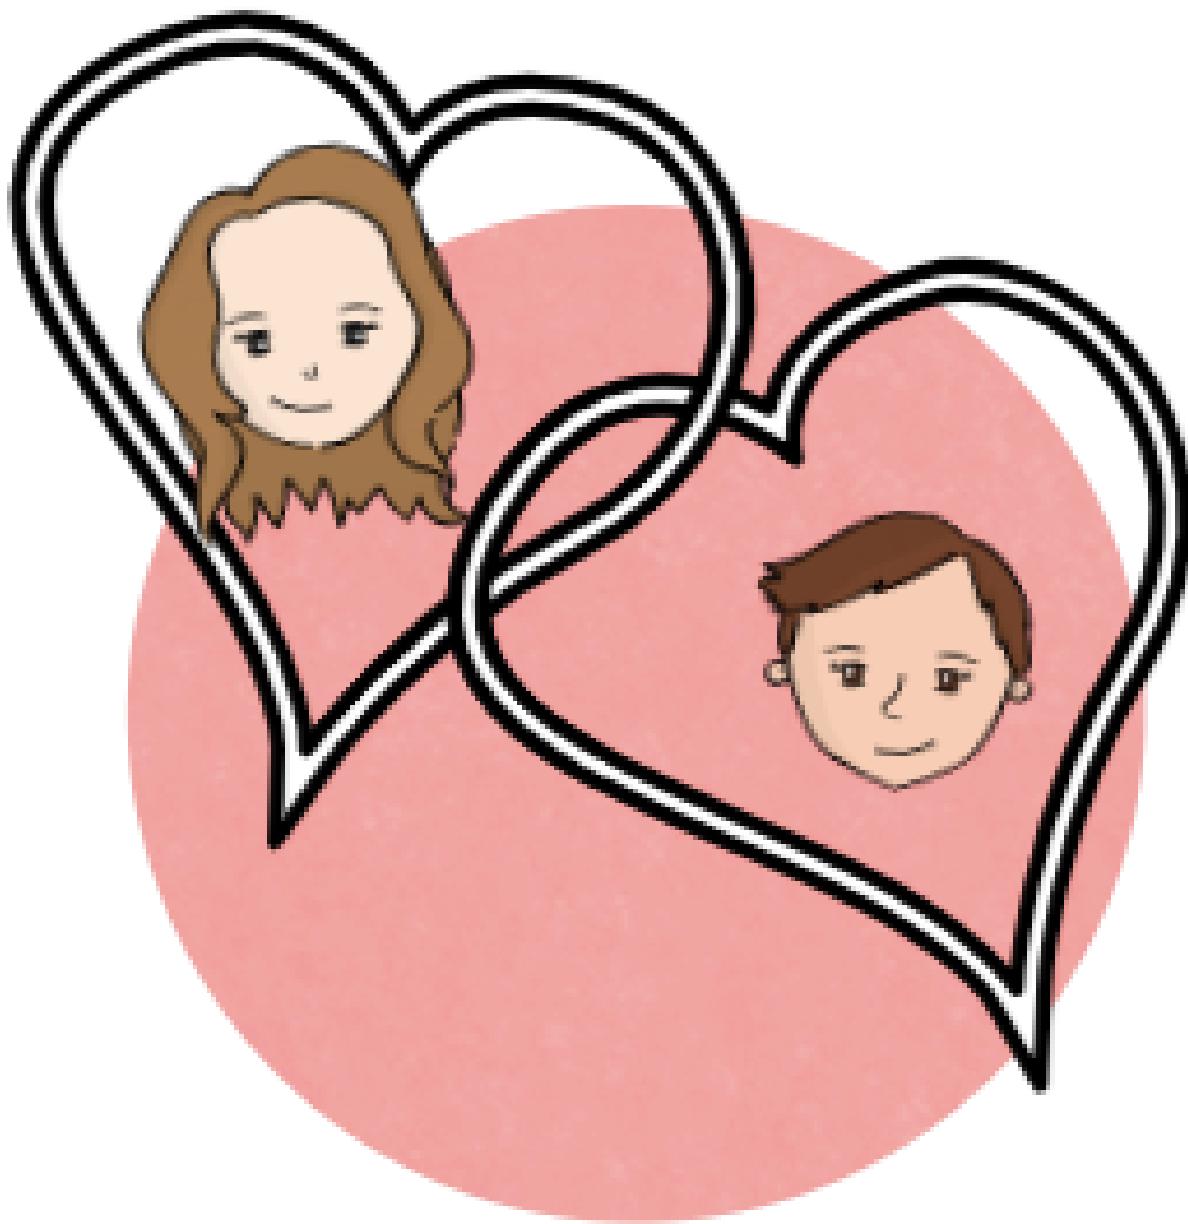

I remember
meeting you on
January 1 2018

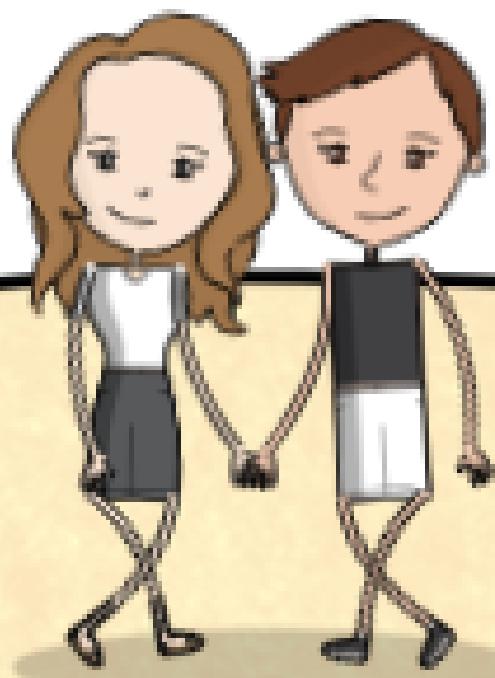

The first thing I
noticed about you
was your beautiful
smile

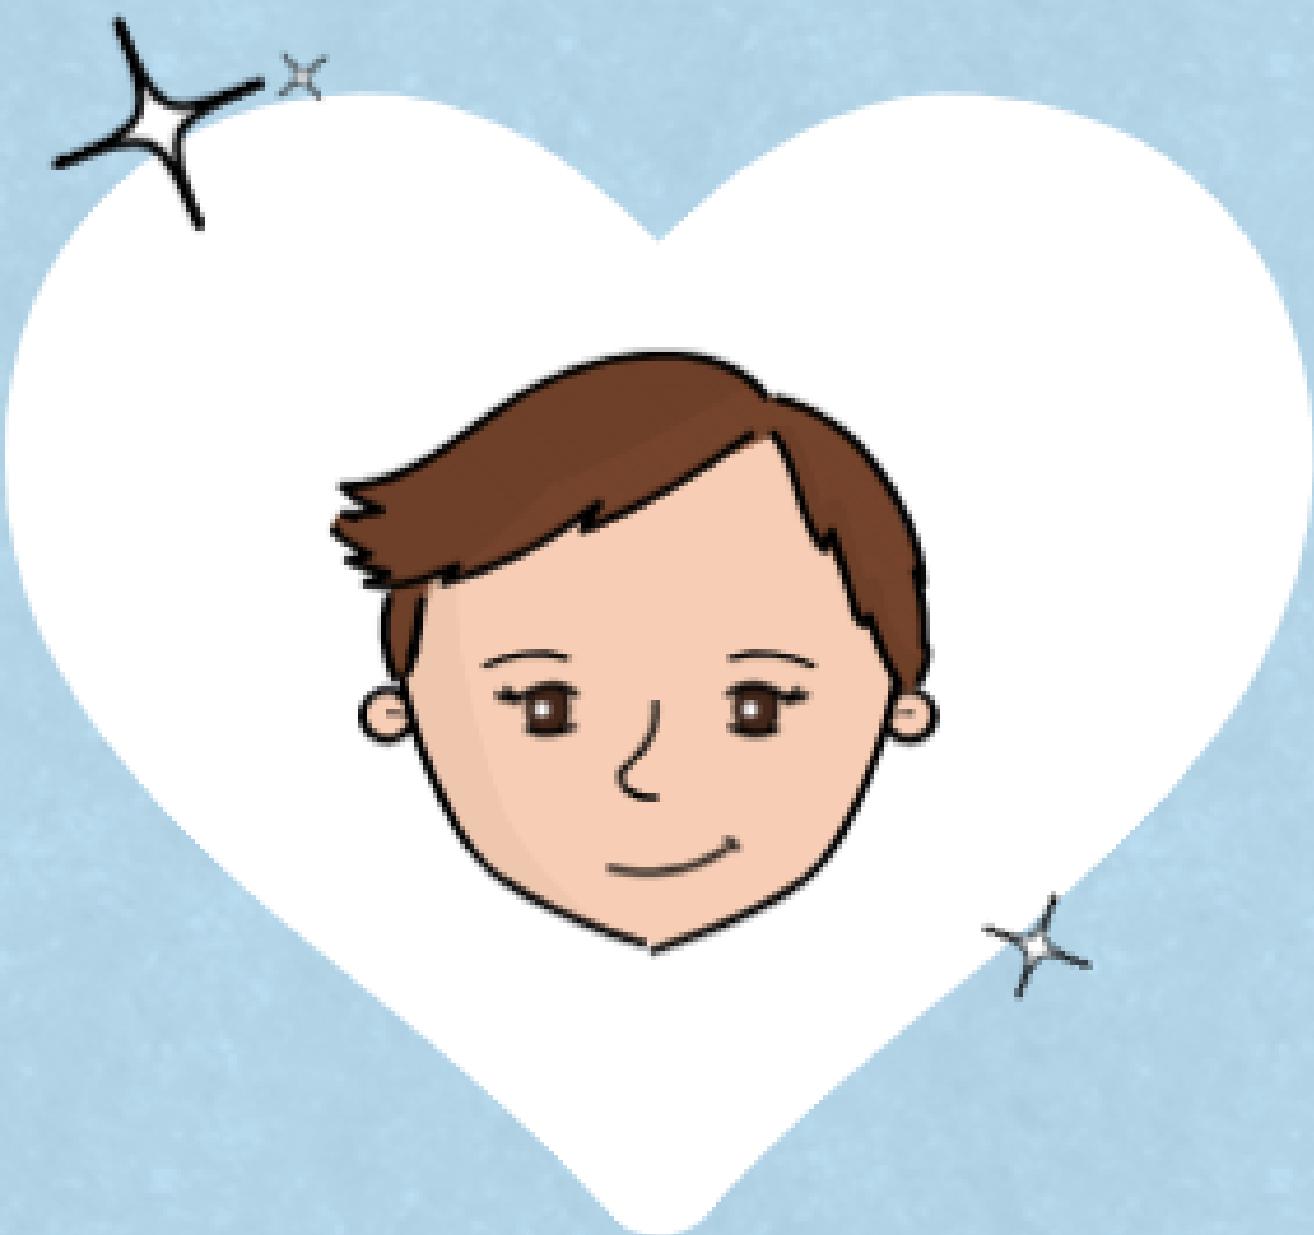

From that
moment, I knew
I had to meet
you

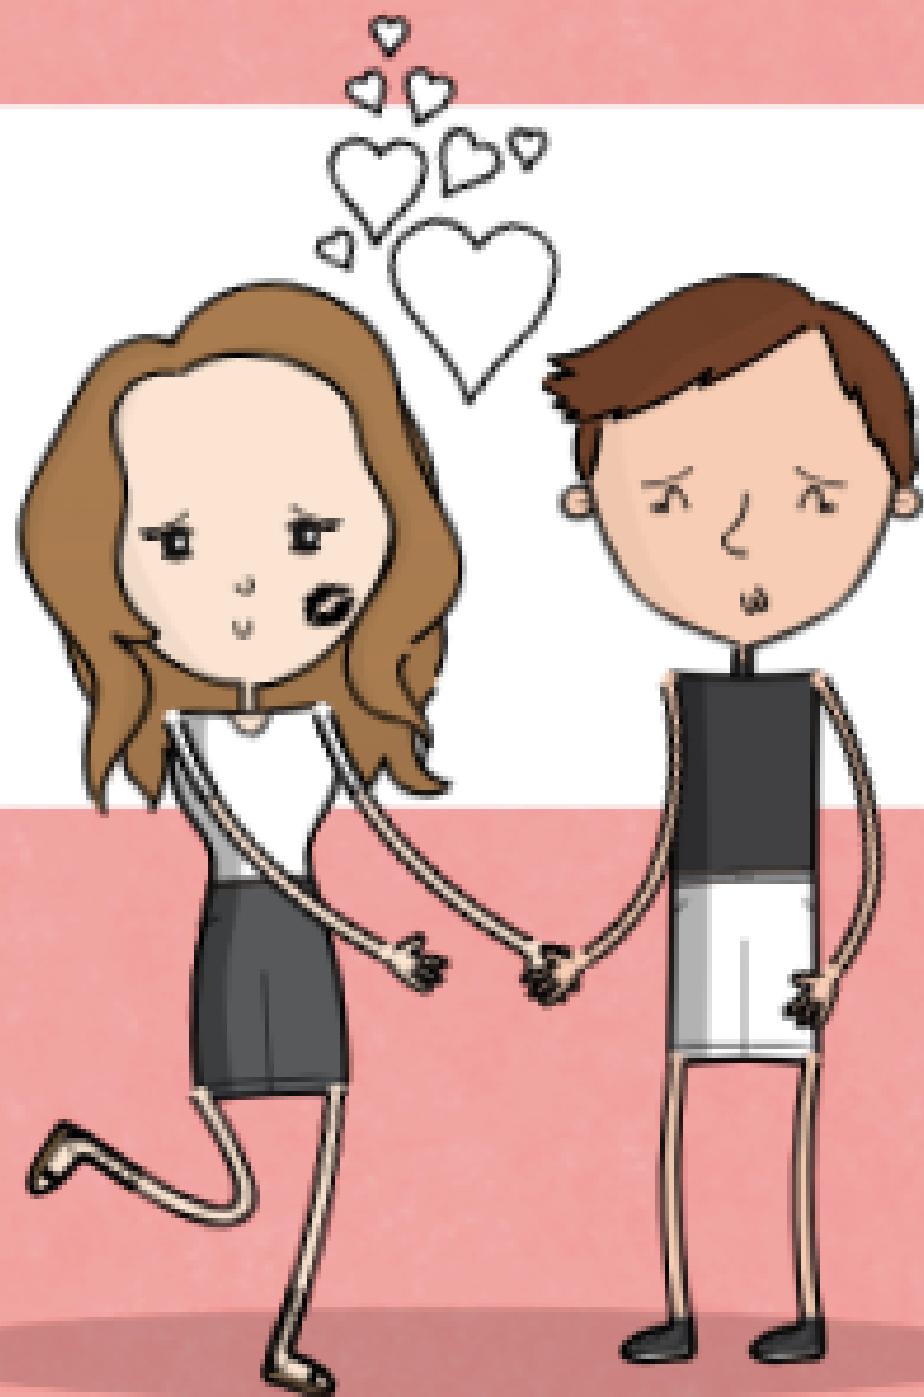

Since then,
every day has
been amazing!

I created this book to
tell you all the reasons
why I love you.

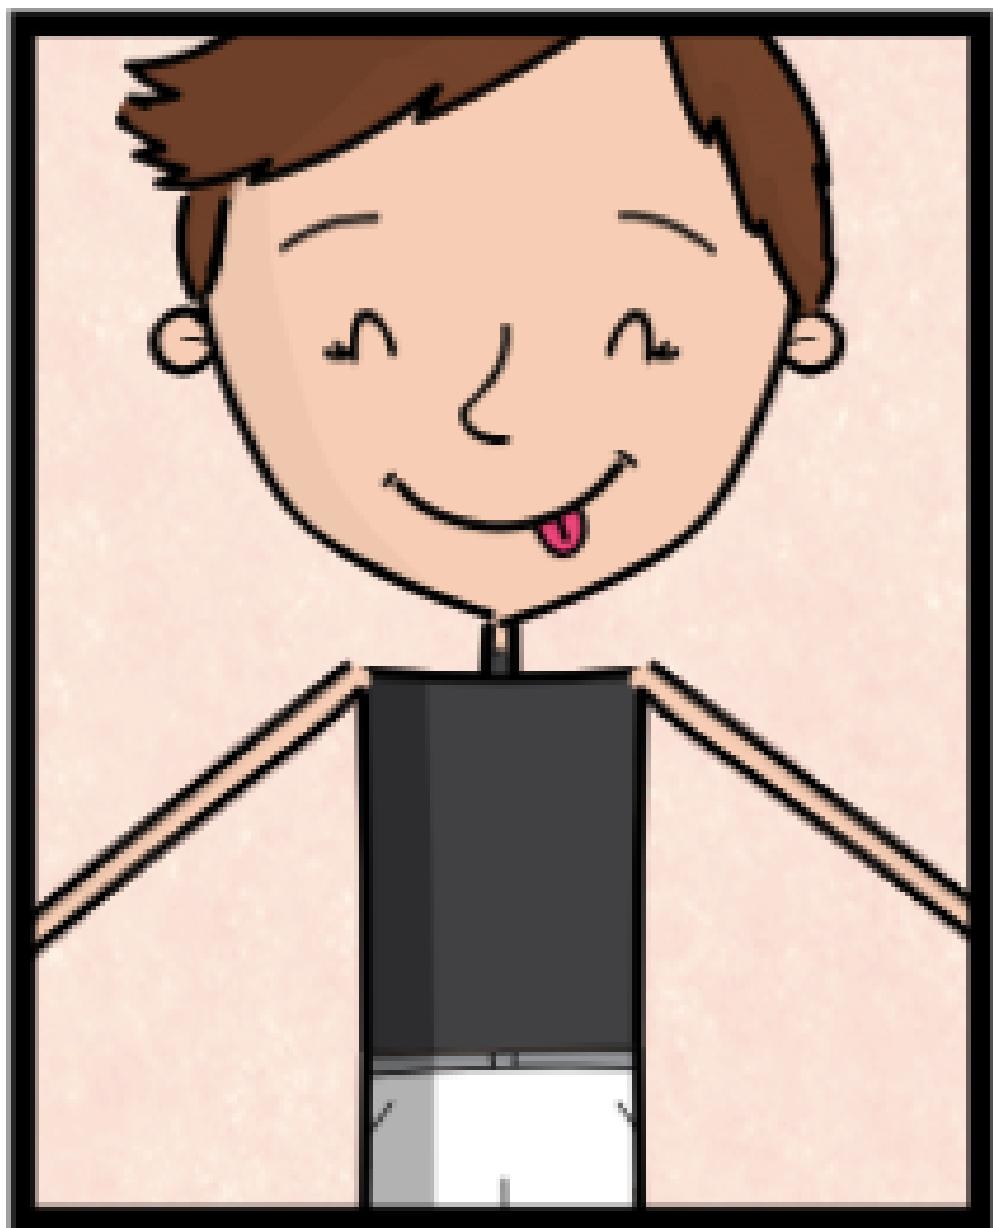

So, here goes...

I loved our first kiss

I love
your dimples

I love you
even when we
are apart...

Your determination is inspiring!

So tired ...
but, must ...
get ... this ...
done ...

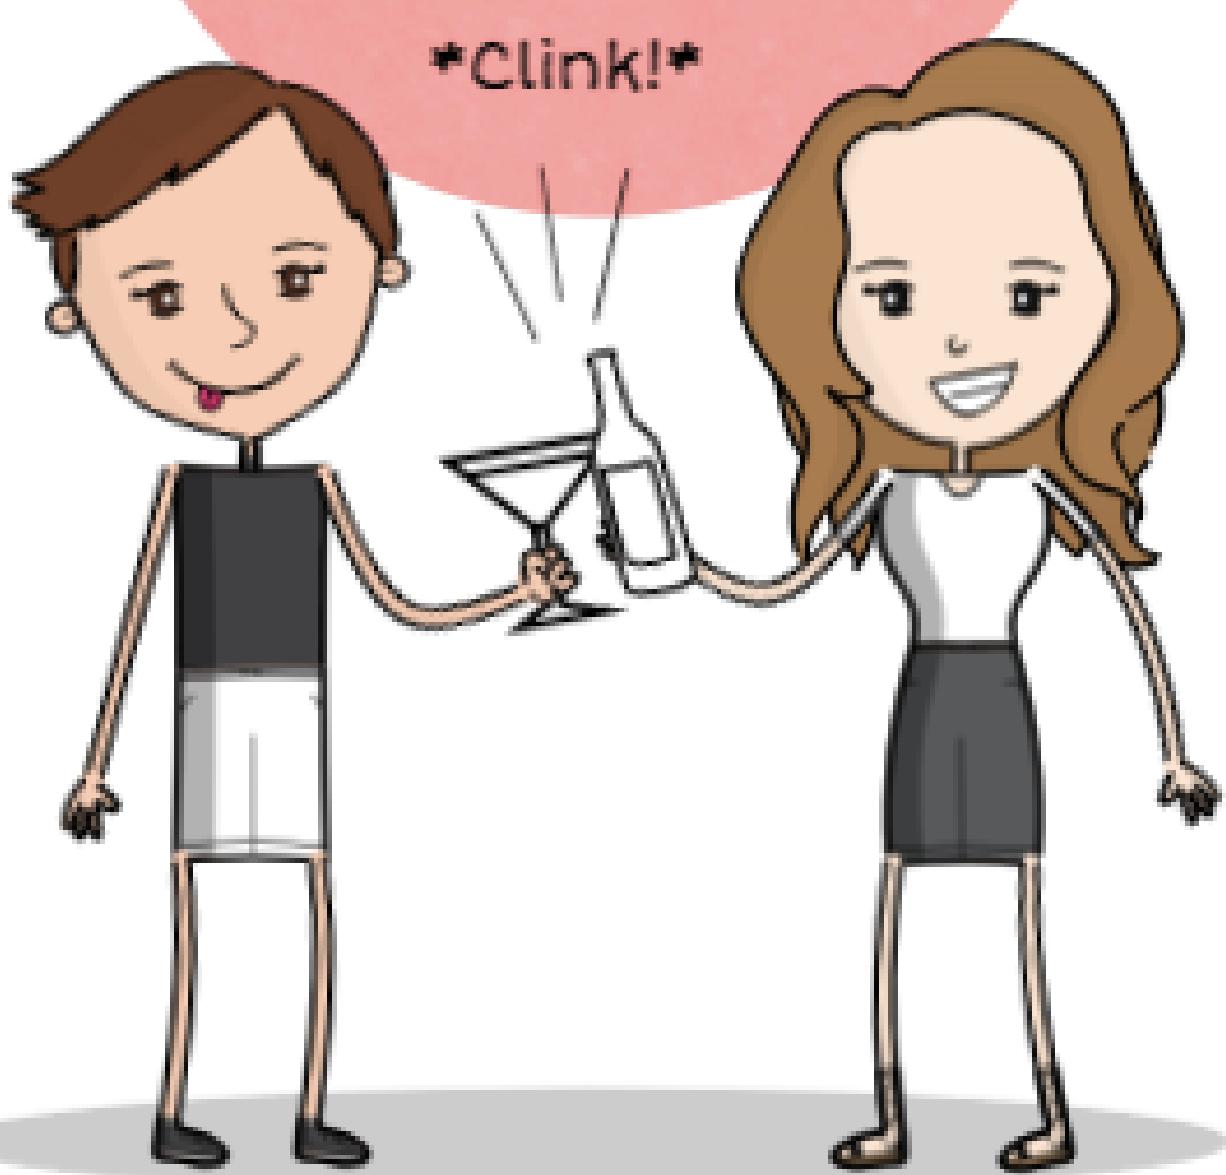

I love how you
make all the
pieces of my
heart smile

I love
drinking
with you

Clink!

I love that
we balance
each other

I love how
easy it is to
make you blush

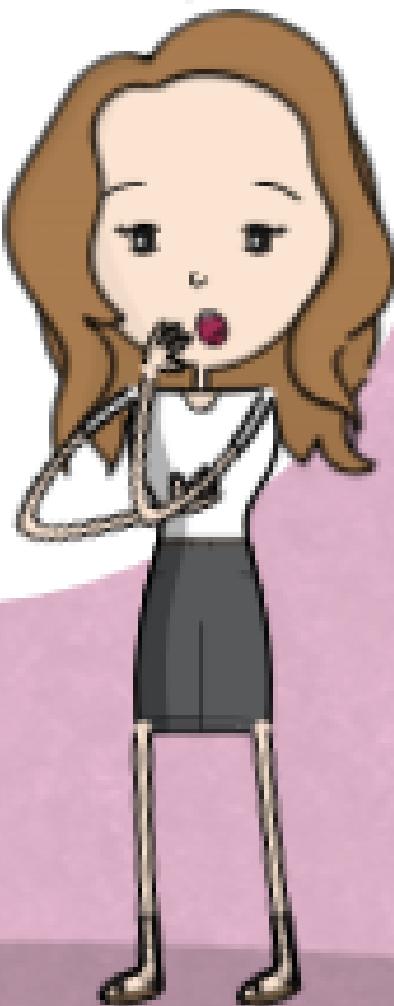

You have such
a cute little
behind, Sanjit!

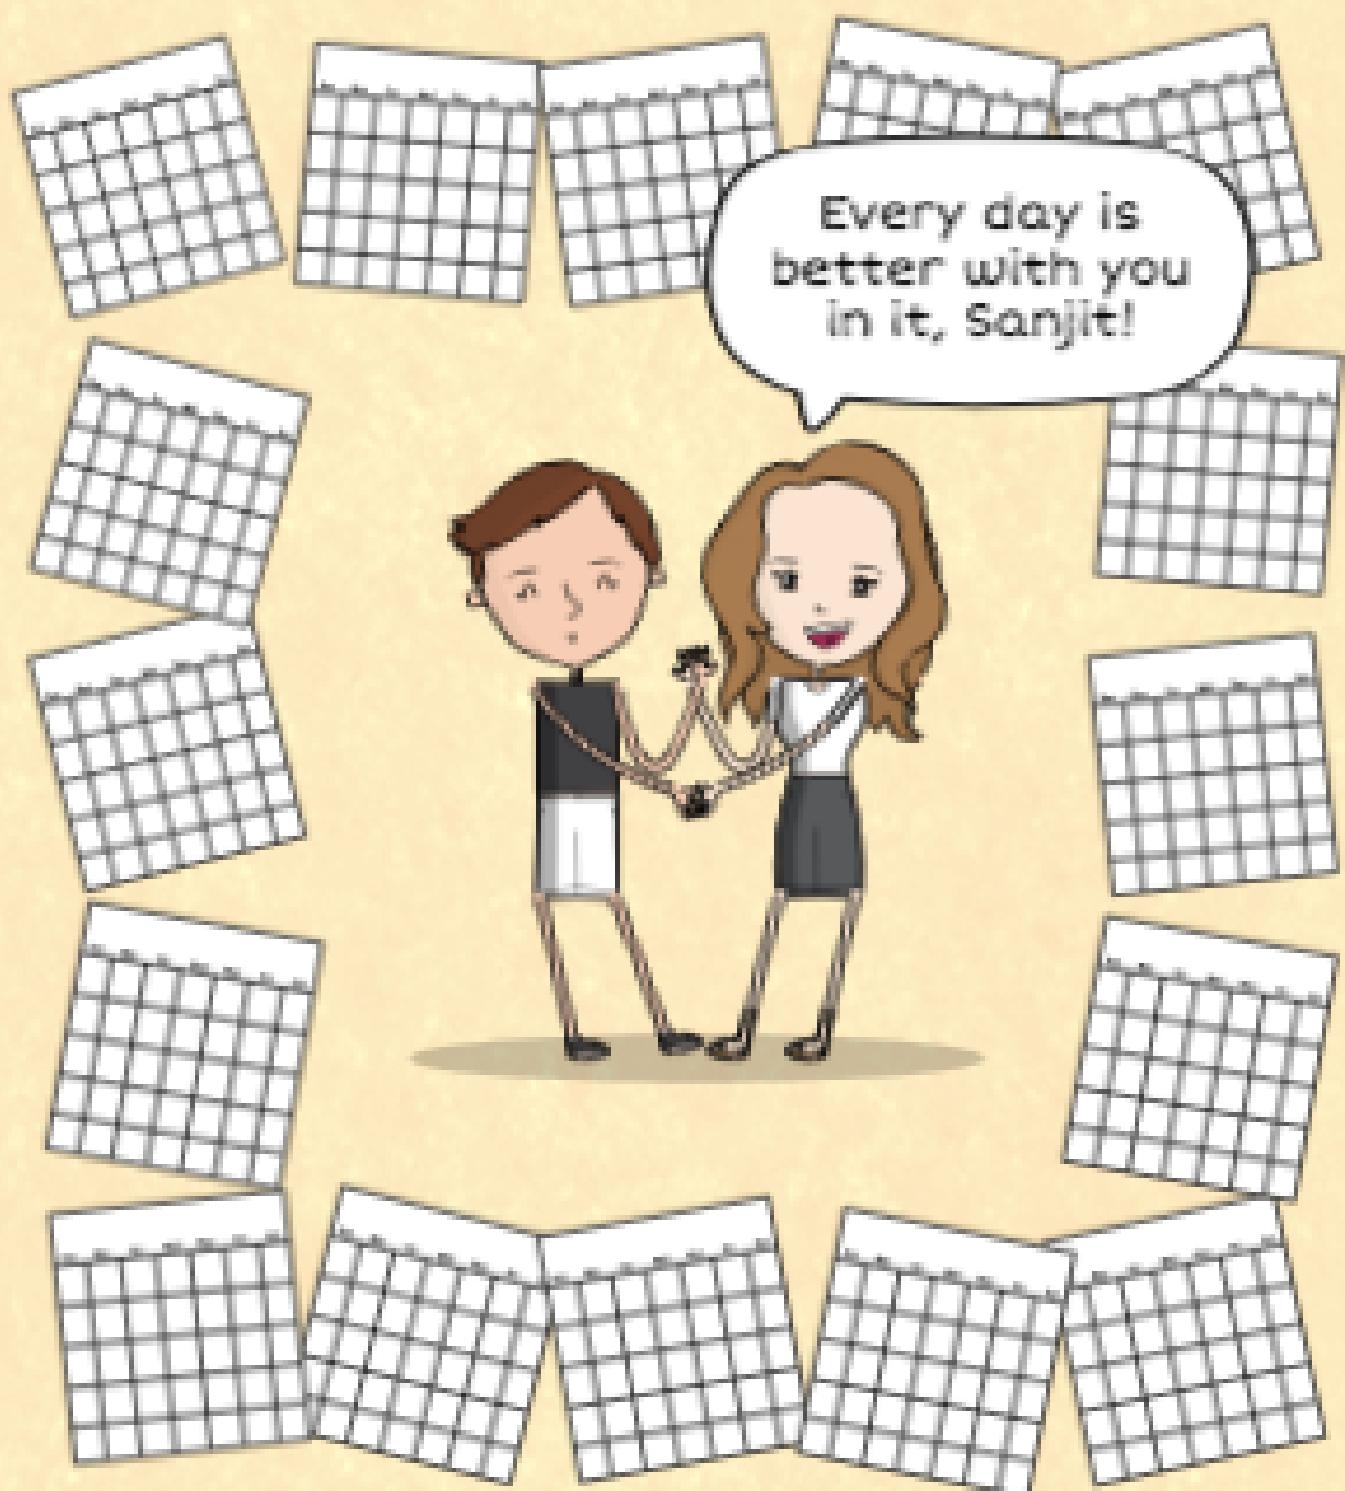

I love the way
your butt
looks in jeans

OH
SNAP!

I love the time we've spent together

I love that I can trust you

I love you in every language
